

Polishing Brass CNC Machined Parts Electronic Components

Our Product Introduction

For more products please visit us on precision-cncparts.com

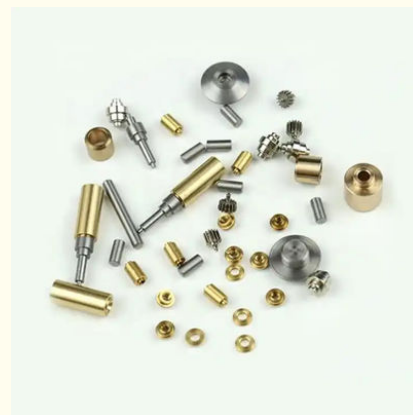

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Supply_ability: 10000 Pieces/Month
- Dimension: Customized
- Surface_treatment: Polishing
- Package: Standard Export Package
- Payment_term: T/T, PayPal, Western Union
- Port: Shenzhen
- Material: Brass
- Application: Electronic Components
- Highlight: **Brass CNC Machined Parts,**

Product Description

Product Description:

We specialize in CNC-fabricated brass parts, providing top-quality, computer-programmed and computer-assisted brass parts with the highest precision. Our products feature flexible payment terms, such as T/T, PayPal, and Western Union, convenient delivery time of 7-15 days, and customized dimensions. The port we ship from is Shenzhen; our supply ability is up to 10,000 pieces/month.

Features:

Product Name: CNC Brass Parts

Application: Electronic Components

Processing Method: Computer-driven Brass Parts, CNC-fabricated Brass Parts

Surface Treatment: Polishing

Dimension: Customized

Weight: Customized

Color: Customized

Technical Parameters:

Technical Parameters	Specification
Product Name	CNC Brass Parts
Application	Electronic Components
Material	Brass
Dimension	Customized
Weight	Customized
Color	Customized
Surface Treatment	Polishing
Payment Term	T/T, PayPal, Western Union
Delivery Time	7-15 Days
Port	Shenzhen
Package	Standard Export Package

Applications:

Application & Scene of ywy cnc404 CNC-manufactured Brass Parts

The ywy cnc404 CNC-manufactured Brass Parts are suitable for a wide range of applications, such as automotive, medical, aerospace, home appliance, industrial, and commercial products. The parts are widely used in the manufacture of various components, precision molds, and metal accessories. They are also commonly used as components in high-precision instruments, such as clocks, watches, and medical equipment. The CNC-manufactured Brass Parts can also be used in the assembly of complex electronic products and for prototyping. With its excellent machinability, corrosion resistance, and wear resistance, the CNC-manufactured Brass Parts are ideal for Computer-aided Brass Parts Manufacturing, CNC-machined Brass Parts Manufacturing, and other precision machining applications. It is also the perfect choice for surface treatment such as polishing, anodizing, and galvanizing. The Brass Parts can be supplied in a variety of colors and finishes, including customized colors and finishes, to meet the needs of any application. The Brass Parts are available with Standard Export Package and payment terms such as T/T, PayPal, and Western Union.

Customization:

Customized CNC Brass Parts

Brand Name: ywy

Model Number: cnc404

Place of Origin: Guangdong, Huizhou

Supply Ability: 10000 Pieces/Month

Tolerance: $\pm 0.01\text{mm}$
Color: Customized
Weight: Customized
Dimension: Customized

Our **CNC Brass Parts** are computer-driven fabricated to precision with computer-simulated accuracy. We can customize the **CNC Brass Parts** according to your needs, with color, weight, and dimension to meet your exact requirements.

Support and Services:

Technical Support and Service for CNC Brass Parts

We provide technical support and service for CNC Brass Parts. Our experienced and knowledgeable staff is available to help you with any questions that you may have regarding the product. We can provide assistance in selecting the right product for your application, and provide help with installation and maintenance. We also offer custom fabrication services to meet your specific requirements.

Our team is available to provide troubleshooting and repair services should you experience any issues with the product. We offer a variety of preventative maintenance plans to ensure that your CNC Brass Parts are running at peak performance. We also provide spare parts and accessories to keep your CNC Brass Parts in top shape.

We are committed to providing excellent customer service and technical support for all of our CNC Brass Parts. If you have any questions or concerns, please do not hesitate to contact us.
