

## Painting Polishing CNC Wood Parts For Home Decoration Processed Wood

Our Product Introduction

for more products please visit us on [precision-cncparts.com](http://precision-cncparts.com)

### Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

### Product Specification

- Package: Carton, Wooden Pallet, Etc.
- Shape: Customized
- Tolerance:  $\pm 0.1\text{mm}$
- Surface Treatment: Painting, Polishing, Etc.
- Color: Customized
- Size: Customized
- Lead Time: 7-15 Days
- Application: Furniture, Home Decoration, Etc.
- Highlight: **CNC Wood Parts Polishing,**  
**CNC Wood Parts Painting**

## Product Description

### Product Description:

CNC (Computer Numerical Cutting) Wood Parts are precision-cut components made for a variety of furniture and home decoration industries. Our CNC woodworking parts are cut using a computer numerical control system to ensure accuracy and precision. With our custom-sized parts, you can create unique pieces tailored to your exact specifications. Our CNC wooden parts are made from high-quality materials to ensure durability and reliability. We provide a variety of packaging options, including cartons and wooden pallets, to meet your specific needs. We accept orders of 1 piece or more with no minimum order quantity requirement. Our quality computer cut wood parts are ideal for a range of applications, including furniture, home decoration, and more. Our CNC woodworking machinery parts can help you create unique furniture parts and home decor items that reflect your style.

### Features:

Product Name: CNC Wood Parts

Tolerance:  $\pm 0.1\text{mm}$

Surface Treatment: Painting, Polishing, Etc.

Process: CNC

Application: Furniture, Home Decoration, Etc.

Material: Wood

Special Features: CNC Wood Shapes, Wooden Computer Cut Parts, Wooden CNC Parts

### Technical Parameters:

| Parameter         | Description   |
|-------------------|---|
| Lead Time         | 7-15 Days   |
| Process           | CNC   |
| Color             | Customized  |
| OEM/ODM           | Accepted  |
| Material          | Wood  |
| Surface Treatment | Painting, Polishing, Etc.                                     |
| Tolerance         | $\pm 0.1\text{mm}$  |
| Shape             | Customized  |
| Application       | Furniture, Home Decoration, Etc.                              |
| Size              | Customized  |
| Keywords          | Wooden Machined Parts, CNC Cut Wood Pieces, Wood CNC Artworks |

### Applications:

Ywy cnc707 CNC Wood Parts are made from high quality wood material and processed by CNC machinery with a precision tolerance of  $\pm 0.1\text{mm}$ . The wood CNC parts are mainly used in furniture, home decoration and other industries, and they are widely welcomed by customers. The surface treatment can be painting, polishing or other methods. Ywy CNC Wood Parts are designed for CNC cutting wood pieces, wood CNC machinery and wood CNC machinery parts to provide high quality and reliable performance.

### Customization:

CNC Wood Parts Customization Service

YWY offers custom CNC wood parts for furniture, home decoration and more. Our CNC wood components are made of high quality wood, with various shapes, colors and surface treatments available. All our CNC wood shapes are manufactured with advanced wood CNC machinery.

Brand Name: YWY

Model Number: CNC707

Place of Origin: Guangdong, Huizhou

OEM/ODM: Accepted

Surface Treatment: Painting, Polishing, Etc.

Shape: Customized

Color: Customized

Application: Furniture, Home Decoration, Etc.

**Support and Services:**

CNC Wood Parts Technical Support and Service

We provide technical support and services for CNC Wood Parts. Our team of experienced technicians is here to ensure your projects are successful. We have a wide range of services to meet your needs, including:

Design Assistance

Fabrication Support

Installation Guidance

Maintenance and Repair

Troubleshooting and Diagnostics

We also provide training and education services to help you get the most out of your CNC Wood Parts. Our technicians are available to answer any questions you may have and provide the best possible solutions for your project.
